Working Student Opportunity

2011

Monterey Bay Horsemanship & Therapeutic Center (MBHTC) needs an energetic and hard working, horse oriented older teen or adult to help maintain the horses and equipment for our therapeutic program. Benefits to you are learn Barn Management, Facility Management, Therapeutic Riding instruction, working with school horses and improving on your own riding skills. Great opportunity of someone who loves kids and horses!

Program Description:

- Learn basic and advanced animal husbandry.
- Training for Show, Therapeutic, and School horses.
- Apprenticeship teaching at all 3 levels including the disciplines of Vaulting, Hunt Seat, Western, and Dressage.
- Work with Hartnell College Staff on Veterinarian skills.
- Work daily on minor veterinary procedures and health care.
- Learn how to manage a feed program to include vitamin ratios, protein ratios, and carbohydrate ratios to be able to develop a feed menu for all ages and breeds to maintain weight and condition during work, rest, illness, summer, and winter.
- Learn how to run a facility. Learn how to schedule to maximize use of your facility and horses.
- Learn how to start and run a therapeutic program and how to run a Show Barn.
- Learn Farrier skills and do practical Farrierwork.
- Learn the Small Business side of running a facility including accounting, marketing, insurance needs, procedures and forms, community outreach, basic grant sources for nonprofits, and basic payroll needs.
